

Security Data Sheet

According to the Ministry of Labour's executive order No. 485 of June 16. 1995 on substances and materials

1. Identification of the substance/material

Trading company: Stenca Seal

Supplier:

Stenca Trading A/S
Svendborgvej 15, 9220 Aalborg Ø
Tel. +45 96 32 48 10
Fax +45 98 14 90 93

Description:

PR No.: Not required

Contact:

2. Composition/information on ingredients

Name	CAS	EINECS	Type	Concentration	Symbol	R-sentences
Vinyltrimetoxysilan	2768-02-7	220-449-8		1-5 %	Xn	10-20-38
Bis-(1.2.2.6.6-pentametyl-4-piperidyl)-sebacate	41556-26-7	255-437-1		0,1-1 %	Xi, N	43-50-53

3. Identification of danger

Contact with the skin can induce hypersensitivity

4. First aid measures

Breathing in: Make sure to breathe in some fresh air. If necessary, seek medical attention.

Eyes: Rinse thoroughly with water for at least 15 minutes. Seek medical attention.

Ingestion: Give milk or water in copious amounts. Do not provoke vomiting. If necessary, seek medical attention.

Skin: Wash thoroughly with soap and water.

5. Fire fighting

Use carbon dioxide, powder or water mist.

6. Precautions in case of accidental spill

No particular precautions.

7. Handling and storage

Avoid contact with skin and eyes. Store sealed.

8. Exposure control/personal protective equipment

Limit value: None.

Respirator: No special precautions.

Eye protection: Protect the eyes. Use safety glasses/face screen.

Skin protection: Use safety gloves.

9. Physical and chemical capacity

State	Paste	Solubility in water	No
Colour	Depends on product	pH	Unknown
Scent	Weak	Density, g/cm ³	1,42
Melting point, °C	Unknown	Flash point, °C	Unknown
Boiling point, °C	Unknown	Spontaneous ignition temperature, °C	Unknown
Steam pressure (20°C), hPa	Unknown	Explosion limits, vol. %	Unknown
Other:	VOC (Volatile Organic Content): 0 %		

10. Stability and reactivity

Stabil under normal circumstances. Not reactive material.

11. Toxicologic information (unhealthy capacities)

Breathing in: None.

Eyes: Can irritate the eyes.

Ingestion: None.

Skin: Can irritate the skin and cause hypersensitivity.

12. Environmental information

None.

13. Disposal

Removal happens according to the regulations on chemical waste.

EAK-code: 08 04 02

Chemical waste group: -

14. Transport information

Not classified as dangerous goods

UN No.: -

RID/ADR: -

IMDG: -

15. Information on regulation

Contains: -

MAL-code: 00-1
(1993)

R-sentences: None.

Symbols: None.

S-sentences: None.

Limitation of use: None.

Requirements for special education: None.

16. Other information

Filled out on the basis of the manufacturer's information. The following R-sentences are given in section 2: Flammable (R10). Dangerous to breathe in (R20). Irritates the skin (R38). Can cause hypersensitivity if contacted with the skin (R43). Highly toxic to organisms living in water (R50). Can cause unwanted repercussions in the water environment (R53).
